15<sup>th</sup> ANNUAL  
ARNOLD LIONS CLUB  
GOLF TOURNAMENT  
**RULES SHEET**

- **The USGA Rules of Golf** will govern all competition, as amended for local rules of play and those regarding the Scramble.
- **The “Blind Boggie” scoring system is used and is computed by SWCC.**
- **Scramble Format on every hole** Each member of the team may hit a tee shot. The team then selects one of the Tee Shots from which to play. All members of the team then hit from that position. This procedure is repeated until the ball is holed.
- **Two Tee Shots** Each team members tee shot must be used at least two (2) times per eighteen holes.
- **Selected Shot** Each team member may place his/her ball within one (1) club length of the selected shot, but no nearer the hole. If the selected shot is in a rough, hazard or fringe of the green, the ball must be played from within the rough, hazard or fringe within one (1) club length of the selected shot in the rough, hazard or fringe, but no nearer the hole.
- **Improving the lie of the ball (through the green)** Each team member may improve his/her lie by hand placing the ball or moving it with the head of the club. The ball is in play when the player addresses the ball or when the player makes his/her next shot.
- **Improving the lie of the ball (in a hazard)** A team member may improve his/her lie by hand placing the ball only. The ball is in play when the player addresses it. In a bunker, the bunker may be raked prior to the ball being placed. Any player may rake the bunker.
- **Improving the lie of the ball (putting surface)** When putting on the green, the ball must be placed within one (1) putter head-length of the selected shot, but no nearer the hole. Once the ball is holed, no further strokes count.
- **Tees** Gentlemen are to play from the “WHITE” tees.  
Ladies are to play from the “RED” tees.
- **Mulligans** can not be used on hole-in-one contest tees shots.
