* Valid on purchases of select Frigidaire Affinity™ Front Load Pairs and Stainless Steel Side by Side Refrigerators made between January 3, 2010 and January 17, 2010 on a Brandsource and Home Entertainment Source Credit Card account. On promo purchase, monthly payments required & no finance charges assessed if (1) promo purchase paid in full in 12 months, (2) any minimum monthly payments on account paid when due, and (3) account balance does not exceed credit limit. Otherwise, promo may be terminated & finance charges assessed from purchase date. Standard terms apply to non-promo purchases, optional charges & existing accounts. As of 03/01/2007, variable APR's: 22.98% & on all accounts in default, 28.99%. Minimum Finance Charge \$1.50. Subject to approval by GE Money Bank.

** The "Payment as low as" amount for an item is an estimate of the first required minimum monthly payment for that item. The amount of subsequent minimum monthly payments will vary and will depend on various factors affecting your account balance, such as (a) the timing and amount of your payments, (b) the interest rate on your account, and (c) whether any fees or other charges are added to your account. You are always free to pay more than the minimum monthly payment. The more you pay each month, the quicker your balance will be repaid and the lower your total finance charges will be. As an example, if you pay only the minimum payment each month and your account has no other activity or changes, it would take approximately 52 months to pay off a \$500 non-promotional purchase and approximately 116 months to pay off a \$1,000 non-promotional purchase. However, if you paid double the minimum monthly payment each month, the \$500 purchase would be paid off in approximately 21 months, and the \$1,000 purchase in approximately 39 months. If you have any questions about the amount of your minimum monthly payment or the repayment period, please call the customer service number on your billing statement. Subject to credit approval. See or call store for details.

† Purchase 2 or more eligible GE Café™ appliances on January 1, 2010–March 28, 2010 from a participating authorized GE Retail Dealer and receive a Visa® prepaid card valued up to \$500 – via mail in fulfillment. See store for details. This rebate cannot be combined with any other GE Café Package Rebate.

†† See store for complete details. Limit one rebate per household during the promotional period purchased between January 13, 2010 - March 15, 2010. Offer good only in the U.S.A. Offer good only on select GE® Brand appliances. Purchases must be made at an authorized AVB BrandSource retailer. Purchases made through online auction houses will not qualify. Purchases of refurbished or previously sold models do not qualify for this promotion.

‡ Selected Frigidaire Professional models listed purchased between January 7, 2010 thru March 28, 2010 are eligible for this rebate. This promotional offer may not be used in conjunction with other Frigidaire offers. Claim paid on ONE model per product category. See store for complete details.
